

We close the gap between proven, life-saving solutions and the people who need them

The TOP framework

- T** Technical rigor
- O** Operational excellence
- P** Policy action

Design for scale

- Simplicity**
- Speed**
- Scale**

Country-centered, data-driven

<p>Government</p> <p>Partner to embed solutions within national systems and strengthen capacity</p>	<p>Community</p> <p>Active communities to pressure and support government</p>	<p>Monitoring</p> <p>Rigorous data systems hold everyone accountable</p>
